Welcome to this week’s South Wagga Bulletin.

Hopefully, all families have their Green Aid band aid boxes and have started to sell them. Remember there is no pressure to sell them just, return the unsold ones to the office by Friday 4th April.

It has been another busy week on the sporting calendar for SWPS students. We had a number of Stage 2 students representing the school at the Trent Barrett shield on Tuesday; with both the boys’ rugby league team and the girls Oz Tag team doing well. The girls’ team, who were undefeated, now progress to the finals day on Thursday 10th April. Well done to Meg Senior on making the Riverina tennis team, where she will travel to Newcastle next term to play in the state finals. Also congratulations to the 5 students who made the Riverina Water Polo team.

The SWPS band will be holding a car boot sale this Saturday between 8am and 2pm on the school oval. It would be wonderful to see our school community support this so the band has the opportunity to purchase new instruments.

Harmony Day celebrations were held today, with children getting the opportunity to partake in activities from different cultures. We are lucky at SWPS to have enthusiastic students and parents willing to help on this day.

School photos will be next Thursday 27th March. Please hand in your photo envelopes to the office so you don’t miss out.

A fire rescue team is visiting SWPS next Monday, demonstrating to the students what to do in case of a fire. They have a real burning room display which should be of interest to all students.

It is wonderful to see the How2Learn habits and dispositions working well in all classrooms. The language of How2Learn is embedded in all our lessons and well-being programs.

The P&C is holding a welcome to 2014 BBQ and Disco on the 28th March at school between 6pm – 7.30pm. All families are welcome & encouraged to attend. It would be great to see this well supported.

Thanks
Helen Cooper

This week 5/6C have been concentrating on using our brains to make links with our learning. We do this everyday in our classroom through discussions. We never do boring work as we use our prior knowledge to make links to help us through new, complicated situations. In 5/6C there are many prompts which remind us how important it is to make links with our learning.

We help edit each others learning through making links with our editing skills.

In 5/6C we always use our resourcefulness to improve our learning.
