Welcome to Week 6 South Wagga Bulletin.

Last Friday, we had a number of students try out for the Riverina girls’ touch football team at Jubilee Park. Congratulations to Maddie Morton and Gaby Clarke on being selected in the Riverina team. I received excellent feedback about our students’ sportsmanship.

Today we held a sports mufti day to help raise money to support Meg Senior, who will be competing in the National Swimming Carnival next term in Melbourne. Children were asked to dress in something to do with a sport and bring in a gold coin donation. Thank you for your support.

On Wednesday the students at South Wagga attended “The King and Queen of Green” show, put on by REROC. From all accounts it was a very interactive show where children learnt about reducing, reusing and recycling products.

I’ve have been impressed with how sensible South Wagga students have been during wet weather. The Year 6 students do a wonderful job helping in classrooms during times of wet weather. The responsibility and leadership shown by our Year 6 students is to be commended. It is wonderful to see the How2Learn habits and dispositions working well in all classrooms. The language of How2Learn is embedded in all our lessons, well-being programs and reports.

Regarding reports, all South Wagga teachers are currently busy finalising them. They will be going home in week 9.

Included in this week’s Bulletin is a note “Nationally consistent collection of data on school students with disability-2014”. We ask that you sign and return the note if you do not want your child to be included in the collection of data. A disability can be classed as: learning disability (dyslexia), learning difference (glasses) or a learning difficulty (social). The South Wagga netball girls’ team is playing in the PSSA knockout gala day today. I wish them all the best and look forward to hearing how they went.

During the week I have noticed quite a few parents in the car park area. Please remember the car park is for staff parking and is not an area where you drop off or pick up your child. The safety of our students is paramount.

Lastly, I wish everyone a safe and happy long weekend.

Thanks

Helen Cooper, Relieving Principal

Mr Ford’s Retirement.
Mr Ford’s farewell afternoon tea/coffee is planned for Wed 25 June 4:00pm ~ 5:30pm
@ Wagga Commercial Club.
All welcome. Please RSVP to the school office. Beverages and food available for you to purchase.
When you use the Interdependence learning muscle, you...

...Know how much interaction you need with others to assist your learning.
....Are capable of maintaining your independent judgement when working with others.
....Make informed choices about working on your own or with others.

1. The students think of their own story and they start to write it. They have a go on their working page with words they are not sure about.

2. If it looks right they keep writing their story. If they are not sure they will use prompts from the environmental print in the classroom and then seek assistance from the teacher.

3. The teacher will draw Elkonin boxes to help them sound out the word. The student will have a go at writing the word, paying attention to the sounds they hear.

4. Independently or with a little scaffolding the student will work out how to spell the word correctly.

5. Once every lesson the students practice spelling a word in their books and on the white board to take the word to fluency.

In Reading Recovery when writing, students use a ‘Working Page’ and a ‘Story Page’
The working page is a place for the students to have a go with words they are not sure of.

Free Graduated Licensing Scheme Information Session for Parents of Learner Drivers in Wagga
Young drivers are three times more likely to be involved in casualty crashes. That’s why the Roads and Maritime Services has introduced a new licensing scheme, with more supervised driving practice for learner drivers. To help parents in supervising learner drivers, the Roads and Maritime Services has set up a FREE 2 hour workshop for parents that offers practical advice on how to help learner drivers become safer drivers. The session will be conducted by David Riches on Monday June 23rd at the Rules Club (cnr. Fernleigh and Glenfield Roads) from 5.30 pm to 7.30 pm. Early bookings are advisable, so phone David on 0434 964 764 now to reserve your place, or email parentworkshop@optusnet.com.au
