Welcome to this week’s South Wagga Bulletin

The week started with a fantastic game of Rugby League between South Wagga and Flinders Public School. The game was played at a very fast pace and at full time the scores were drawn and golden point extra time had to be played. During extra time Flinders managed to score a try and win the game. The game was a superb effort by all involved and it was great to see the amount of support at the field for the team. The boys and their coach Mrs Cooper can be very proud of their efforts this year. To make it to the last four teams in the NSWPSA Rugby League Knockout is a fantastic achievement.

On Thursday the South Wagga Band performed at the Wagga Eisteddfod at Charles Sturt University under the direction of Clare Brassil. From all accounts the band played very well and received second place for their efforts. A fantastic effort by the band members, Clare and Dave Mundy our band coordinator.

The South Wagga Public School Junior and Senior Choirs performed at the Eisteddfod today and at the time of going to press their results have not come through to the office. There will be a more detailed report in next week’s Bulletin.

This week also saw students taking part in 20 / 20 Big Bash cricket tournaments, a T ball Gala Day and an Aussie Rules Gala Day.

During the week I was contacted by the Wagga City Council Traffic Control Section regarding concerns with parents parking their cars in the lane between the Service Station and Funeral Parlour in the afternoon. I was informed that in the near future No Standing signs will be installed in the lane by the Wagga City Council. The Wagga City Council is concerned about the safety of students walking along the lane way on their way home and the fact that the entry to the funeral parlour is being blocked by parked cars.

Until next week

5/6B are super cool at the HOW2Learn skill of noticing!

If you look carefully you can see how Judd recognises that looking, watching, listening and playing with ideas are key to successful learning. You might also see how Willow and Milla are patient with their learning and realise that experimenting with ideas will help them notice the big picture! Lara is an expert noticer who never misses even the finest of details, and Inigo is so in tune with his learning situation he even noticed you noticing him! Wow, now that’s serious noticing!

FETE NEWS
The Craft Stall organisers are underway with their creations for this year’s fete. We are looking for small interesting glass jars and cuttings of succulents. If you can help out please leave them at the school office or contact Helen Mundy on 0448 255 040.

CANTEEN NEWS
Tracey, our new Canteen Supervisor has settled in well to her role and is providing some new, interesting and healthy food for our children to purchase from the Canteen. Over the last few weeks Tracey has organised an Education Week and Book Week lunch and both were a great success. The Canteen continues to need volunteers so if you have a some spare time on Monday, Wednesday, Thursday or Friday please consider volunteering some of your time. You don’t need to commit for a whole day just a few hours (or an hour over the busy lunch period) would be great. Tracey can be contacted by calling the school office or you can see her in the Canteen.
