Welcome to this week’s South Wagga Bulletin.

On Monday I had the great pleasure of spending the day with Emily Callaghan, Imogen Robertson, Sidonie Carroll and Jake Barnhill at the GRIP Student Leadership Conference at CSU. The day was a fantastic experience for everyone with fun activities, leadership tasks and personal development activities taking place. The day was such a great experience that we have decided to take the Sports Captains as well next year. I would like to commend Emily, Imogen, Sidonie and Jake on their fantastic behaviour and their beautiful manners at the conference.

On Wednesday Ned Prescott auditioned for a solo performance for the 2013 Schools Spectacular in Sydney. Ned sang two songs and now has to wait until the 7 June to find out if he was successful. It is a fantastic effort to audition for a solo performance at the School Spectacular and Ned can be very proud of his achievements.

I found out yesterday that Hugh Smith, a year one student at SWPS will perform with nationally acclaimed actor Helen Morse in a play at the Civic Theatre next week. The play explores the impact of Alzheimer’s on Australian families and is being staged for one night only at 8pm on Tuesday 4 June. Well done Hugh.

The CSIRO Electric Show “Seeing the Light” was very interesting and informative. It was obvious that the students enjoyed the show and gained a great deal from it.

It has also been a very big week on the sporting field with the Boys and Girls Touch Teams winning their way through to the state finals, Harry Reynolds and Tom Crackanthorp representing the Riverina region at AFL and the SWPS Rugby Union teams performing well with the Year 6 being placed forth and the Year 5 being runners up on the day.

The other major event taking place at school is the building of the new play equipment by Geordie and his team of parent helpers. The equipment is starting to take shape and weather permitting it should be completed by the end of the term. Well done to Geordie and his team.

In closing I would like to wish all students taking part in the Wagga PSSA Cross-country today at Ladysmith all the very best.

Until next week.

Payments to School
Could payments to the school office be placed in an envelope with students name, class and what the payment is for. Where possible correct money as we don’t always have change. All money received is banked each day. Thank you for your cooperation.
Next week in How2Learn we are learning about meta learning. Meta Learning is about understanding learning and ourselves as learners. When we use this learning muscle we can talk about how we learn best and are interested in becoming a better learner. We can also say how we learnt things and talk about the processes.

Language to encourage meta learning:

How did you learn this?
Which way of learning helped you best? Why?
What did you do that really helped you figure it out?
What didn’t work so well and what will you do next time?
